PATTERN NOTES

A turtleneck sweater may be good, but a cowl neck sweater might even better! Throw in a spunky stranded colorwork pattern and you have a perfect cold weather garment. Atotozli combines the lovely texture of Deluxe Worsted Tweed Superwash with a geometric multicolor pattern and textured body stitches for a whole lot of fun in one pretty pullover.

Back and Front are knit flat in rows. Sleeves are knit in the round to the Raglan Shaping section, and then worked back and forth in rows. Cowl neck is knit in the round.

When increasing or decreasing in stranded pattern, work the increased or decreased stitch in whatever the next color of the chart would be.
