PATTERN NOTES

The ideal socks are snug, yet still cozy, and the Channel Socks fit the bill. Twisted ribbing creates clean lines that create a perfect fit and doesn't detract from the fun, self-patterning print of Wacki Saki.

These socks are knit in the round from the cuff-down with a heel flap and gusset. The leg of the sock features twisted ribbing that flows into the heel flap. The ribbing on the cuff is offset from the ribbing on the leg to create visual interest, and the foot of the sock is worked in stockinette stitch.
