## PATTERN NOTES

Warm weather accessories that are bright and graphic add something fun to even the simplest outfit. Crystal Coast is a bold scarf that pairs two yarns from our Cotton Supreme yarn family in an engaging knit you'll love to wear all summer.

This scarf is worked widthwise in one piece. Due to the large size of the charts in this pattern, stitch patterns are in chart form only.

With the exception of the ribbed ends, this scarf is knit in a combination of welts and slipped stitches. Change colors every other row – only one color is used per row. Carry unused color loosely up the side of the work.

The total weight of the scarf pictured is 214 g. It used nearly all of one skein of the CC and a little over 2 skeins of the MC. It is possible to use only one skein of each by working approximately 3 fewer repeats of the Center Section.
