NOTES

1. Pullover is made in 4 pieces: Back, Front and 2 Sleeves.
2. The colors in this yarn were designed to create stripes and Fair Isle-inspired patterning as you work. Your sweater may not look exactly like the photographed sweater! For the sample sweater, made in size Medium, the designer used one ball of yarn for the Front, one ball for the Back and one ball for the first Sleeve, then chose sections of color from the leftover yarn so the second Sleeve would resemble the first. For the neckband, designer worked with a solid color section of the yarn.
3. Circular needles are used to accommodate the sts. Work back and forth in rows on circular needles as if work with straight needles.
