NOTES

1. Throw Blanket is worked back and forth in rows of Bubble Stitch pattern, changing yarn color following Stripe Sequence.
2. A circular needle is used to accommodate the number of stitches. Work back and forth in rows on circular needle as if working on straight needles.
3. A border is worked all the way around outside edge of Blanket Throw.

STRIPE SEQUENCE

Work 11 rows with A, 6 rows with B, 6 rows with A, 6 rows with C, 6 rows with B, 6 rows with A, 12 rows with B, 6 rows with A, 6 rows with B, 6 rows with C, 6 rows with A, 6 rows with B, 14 rows with A for a total of 97 rows.

THROW BLANKET

With A, cast on 43 sts loosely.

Beg with Row 1 of pattern, work in Bubble Stitch pattern for 97 rows, changing yarn color following Stripe Sequence.

Bind off loosely.

Note: If you do not have enough A to bind off, use any of the other yarn colors; it will be hidden by the border.

Border

From RS with B, working from left to right and placing sts on left needle, pick up and k1 st in each of the last 3 sts along top right corner of bind-off edge so that the farthest right st is at tip of left needle; k1, k2tog – you will have 2 sts on right needle.

Notes: You will continue to pick up sts as you knit the border. To ensure that sts are picked up evenly, pick up 1 st in each st along bind-off and cast-on edges and pick up 1 st at the end of every other row along side edges.

* Pick up and k1 st along Throw Blanket edge and place it on left needle, slip 2 sts on right needle back to left needle, k1, k2tog; rep from * all the way around outer edges of Blanket Throw and only 2 sts remain.

Bind off last 2 sts, leaving a long yarn tail for sewing.

Use yarn tail to sew beg and end edges of border together.

Weave in ends.
