PATTERN NOTES

The Ruby Shawl DK is a real gem – and a new, lighter-weight version than the original version. After the bulky-weight version became a fast favorite among knitters, we knew a DK-weight version would be so perfect for autumn. Two harmonious shades of Colorburst are combined with solid-colored Deluxe DK Superwash to create gorgeous, textured stripes. Whether you choose classic shades as shown in the sample or something vivid and bold, we know you'll love knitting this shawl.

This shawl is worked modularly. Refer to the diagram for help in visualizing how it all goes together.
