PATTERN NOTES

Inspired by clean geometric lines, and flying a kite in the breeze, the Kite Handbag is perfect for taking your essentials and small projects on the go. It features exposed seams that emphasize the shape, and simple folds are used to create this perfect purse. It is formed from three large squares that are seamed together. Complete the look with a muud Hudson strap that's easy to fasten to each corner. Plus, with options in Black or Whisky, you can swap out the handles to perfectly match your ensemble.
