## NOTES

1. Pullover is made in 4 pieces: Back, Front, and 2 Sleeves.
2. Each piece begins with ribbing at lower edge and then is worked in St st (k on RS, p on WS).
3. A circular needle is used to accommodate the number of stitches. Work back and forth in rows on the circular needle as if working on straight needles.
4. Turtleneck is worked in the rnd on a circular needle.
5. When you see 'work even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.

### Note:

The following corrections have been incorporated into the pattern below. We are highlighting the corrections separately here so that if you have printed out an earlier version of the pattern you'll know what was changed.
